

INFORMATION FOR VISITORS

Ladies and gentlemen,

Welcome to our region. Since 1st, January 2018, we request that hosts collect the genuine attendance tourist tax ('taxe de séjour au réel') on our behalf. The tax is applicable from 1st January to 31 December. Furthermore, the regional and departmental councils of Aude and Pyrénées-Orientales have introduced an additional 10% tax on top of the tourist tax collected. From 1st January 2024, the Occitanie region is also implementing a 34% additional tax to go towards the company managing the new Montpellier-Perpignan rail line.

Through the above taxes, you are contributing to the development of tourism in our region, for which we are truly grateful.
